Laws of Miller's-creek District.

At a meeting of the Miners of the first District of Salmon river mines, held on the 21st of December, 1862 the following Laws were passed.

Preamble. Whereas, the present General Mining Laws of Salmon Mines, are inadequate for the protection of the mining interest of District No 1. said District comprising Miller's-creek and its tributaries.

Therefore be it

Resolved, that we the Miners of the first District do this day deem it expedient to adopt a code of Laws governing said District, and we agree to abide by, and be governed by the following Laws, to wit:

— Article 1. —

Each person mining in these Mines shall be entitled to hold by location one hill, one gulch, and one creek claim.

— Art 2. —

Any person or persons discovering a Quartz Ledge, or Lode, shall be entitled to one claim each by location, and one by right of discovery.

— Art. 3. —

Hill claims shall be one hundred and fifty feet front, running back to the centre of the hill, Gulch, and creek claims, shall be one hundred and fifty feet in length, running up, or down the gulch or creek, and two hundred feet wide; measuring from the centre of the gulch, or creek, one hundred feet each way.

— Art 4th —

Quartz claims shall consist of two hundred feet each of the Ledge or Lode with all its width, depth, and angles.

— Art 5th —

All persons locating claims who do not enter upon and work the same, shall have them recorded within three days from date of such location.

Art 6th

All persons holding mining claims in this District, shall be required to do one days work in every seven days, from the first day of May, to the fifteenth day of November in each year; and from the fifteenth day of November to the first day of May, every owner of a claim or claims, may lay the same over during that period of time without the necessity of a representation; provided he will get the same recorded in this District, and will plainly show by said record, the real bona fide owners of said claims and the manner they hold the same.

Art 7th

Each claim or claims, shall be entitled to a drain-race through any adjoining claim or claims.

Art 8th

All controversies between miners in relation to mining claims, shall be settled on the claims disputed, by a meeting of the miners of this District or by arbitration

Art 9th

A recorder shall be elected for this District, who shall reside within this District at some convenient point, and whose duty it shall be to keep a legible book of records and mining laws of this District. The book of records shall always be open for inspection: and the recorder shall be allowed the following sum: for recording one single claim fifty cents for two or more, or a companies claims, one dollar, provided they lay in one body.

Art 10th

All persons not engaged in mining shall not have a voice in determining controversies between conflicting claims in relation to mining claims in this District.

Art 11th

The recorder shall be elected for one year, or until his successor is elected.

Art 12th.

All Laws rules and regulations heretofore adopted for the protection of miners and their mining interests in this District which in any way conflict with the foregoing articles now adopted and passed, be, and the same are, hereby repealed.

Art 13th.

The above Laws and Articles now adopted and passed, may be amended whenever twelve claim owners in this District shall sign and post three public notices, in three ~~public~~ conspicuous places setting forth the amendments desired, and specifying a time and place in said notice, of not less than six weeks from the posting of said notice calling the meeting together.

Art 14th.

These Laws shall take effect and be in force from and after this passage.
